

DIGITAL PHOTO EDITING ASSIGNMENT OVERVIEW

In this assignment you will create two unique digital photographs using the scanner, digital camera, and Photoshop Elements.

You will create two pieces of photo art:

1. **Photograph One** will be an image of yourself placed in an impossible situation. For example, you may be standing at the tip of the Eiffel tower, or climbing up the face of Hoover Dam.
2. **Photograph Two** you will create an art piece using the built-in filters of Photoshop.

These images must be sized appropriately for web deliver and must be viewed in their entirety within the browser window of a 15" computer monitor.
